With the hopeful UNESCO inscription heading to Chillicothe/Ross County I want to remind the downtown of a few things:

1. September 19/20 we should learn if we are approved. This is when the vote will happen in Saudi Arabia.
2. If we are approved, October 14th is the day the community plans to celebrate the news.
3. With this celebration, we need to anticipate a lot of guests staying in and enjoying our community, including our downtown.
4. Stay tuned for details and events as we get closer and find out more.

Downtown Chillicothe is starting to prepare our downtown for the potential influx of visitors. Please offer any suggestions you might feel are helpful to make our downtown sparkle and that much more attractive.

If you are interested in a wayfinding sign to help these visitors find you a tad easier, we still have some spaces available. Shoot me a text/call and we can discuss your options. 740-701-4037
