****DESIGN REVIEW BOARD****

If you are a business in the Historic District or if your business faces the Historic District, we would like to remind you that if you change anything on the outside of your building, such as signage, paint color, awnings etc, all these changes need to go before the Design Review Board (DRB). There is an application that needs to be filled out and we can provide you with that application, as well as help you with the process. The DRB meets the 3rd Thursday of each month so please plan accordingly to better time out your projects.

To get an electronic copy of the application, visit:

<https://cms7files.revize.com/chillicotheoh/DRB%20application.pdf>

****WAYFINDING SIGN RENEWAL****

If you are interested in a wayfinding sign, we have several spots available that can benefit your business. Ask us about our availability!

Looking for a monthly downtown parking spot? We are compiling available spots for you to consider. Reach out if you are in need of a spot.

Conversely, if you have spots available for rent, even 1 space, please let us know your availability so we can add you to the list and help you fill it!
